

MEDIA RELEASE

AUSTRALIAN HIGH COMMISSION DHAKA

Statement by Australian High Commissioner Greg Wilcock on recent events in Bangladesh

Australia condemns the recent murders in Bangladesh – as we condemn previous such attacks.

We trust these acts will be investigated swiftly and that those responsible will face justice.

The victims were respected citizens. We offer our condolences to their families, friends and communities.

Australia stands with Bangladesh, as we stand with other international partners, in opposing intolerance and violent extremism.

Australian High Commission, Dhaka
27 April 2016
